

REQUESTING CHELASHIP FROM THE MASTER

The Master encourages all sincere seekers to read the following books for a basic familiarization with the essence of the Light and Sound Teachings prior to requesting to become a chela (student).

Soul's Divine Journey

MasterPath – The Divine Science of Light and Sound, Volume I

These materials are available on the order form insert and at www.masterpath.org.

The MasterPath embodies the divine goals of Self and God Realization, and the seeker must therefore possess a keen desire and deepest yearning to pursue these lofty levels of true spirituality.

If a seeker is involved with and deriving benefit from a present course of study, it should be honored and maintained. The seeking or study of two separate paths simultaneously is not advised.

If these spiritual conditions have been met and you wish to request chelaship from the Master, then please send a letter to Sri Gary Olsen expressing your spiritual desire to embrace these Teachings, and include this completed form. (Or you may go online to submit your letter and form at www.masterpath.org).

If one's request for chelaship is accepted, chelas of the Master pay monthly dues of \$30. New chelas will receive an introductory packet including beginning guidelines from the Master and a set of recordings outlining the recommended daily spiritual practice. Every month thereafter, chelas receive a monthly mailing, which consists of a written discourse and a recording of one of the Master's satsangs (talks). Chelas of the Master also have access to the entire library of Sri Gary's written and recorded materials, the opportunity to attend the Master's seminars held throughout the year, and, most importantly, the ever-present love, guidance, and protection of the indwelling Sat Guru.
